CAMBRIAN HEIGHTS' PRESIDENT'S MESSAGE

At the start of June, summer focuses everyone on outdoor activities. Neighbour Day is celebrated in Calgary on June 17, with the City sponsoring events as well as encouraging Block parties and other social activities through free permits and access to first responders and City officials through calgary.ca/NeighbourDay. Cambrian Heights Community also encourages block events with a \$100 subsidy to organizers for non-alcoholic beverages or food. For information on this program, contact us at cambrianheights@gmail.com.

There are also two gardening projects in our community. One is the planting of flowers at the park space bordering Cambrian and Northmount Drives, and the second is the new demonstration garden sponsored by the Alberta Low Impact Development Partnership ("ALIDP") at the rear of the community hall. While the first garden is a beautification project, this hall garden project identifies low maintenance natural plants designed for Alberta weather conditions as an alternative to high water demand grass lawns. Should you wish to volunteer a small amount of your time for either of these gardening projects, please contact us.

We held our second annual Bike Day on Saturday, May 27. This provided tune-up clinics, bike swaps, raffle prizes, and a bike wash that was so successful last year. There were activities for the young bikers as well as an ice cream stand. If you found this valuable or have suggestions for next year, let the organizers know with comments directed to social@cambrianheightscommunity.com.

We continue to pursue future enhancements to the off-leash park on 32 Avenue and 10 Street. Progress has been slowed by a limited volunteer base. Our committee remains dedicated to development of a central feature, as well as obstacle courses for dogs in this park space. This development will require volunteer labour and ultimately, tax deductible donations to complete. The City Parks department has been supportive of this development and will be adding more trees to the area this year as well as potentially adding additional benches and landscaping features for the park. We need community involvement to bring this project to active development. Please consult our website (cambrianheightscommunity.com) and attend our AGM for updates and discover how you may contribute to this process.

We have scheduled our Annual General Meeting for Tuesday, June 27 at 7:30 pm at our community hall. This is a chance to discover how the community association may help you appreciate the social opportunities in Cambrian Heights, as well as better understand the development issues we are seeing within our neighbourhood. In addition, we will be looking for new ideas to enhance all our parks so they might better serve resident needs.

There is an urgent need for Cambrian Heights residents to come forward if we are to continue providing events like the recent Celtic dance, outdoor summer concerts, fall BBQs, wine tastings, Halloween and Polar parties for the kids, pumpkin give-aways, and newer events such as Bike Day and language classes. The community is most importantly in need of a volunteer to replace our Treasurer and our Social Media Director, both of whom are retiring this year. These are critical positions for the community association, controlling our finance and communication activities. This is an opportunity to join an experienced team and help develop the programs, events, and development planning for Cambrian Heights. To discuss these volunteer opportunities, please contact us at president@cambrianheightscommunity.com.

ROSEMONT PRESIDENT'S MESSAGE

Howdy Rosemontians! I hope everyone is doing well and staying safe.

This will be a pretty short message. We are getting into the summer season, and I don't know about you, but I am looking forward to the sun, relaxing, and enjoying the park. Speaking of the park, if you are reading this and the city hasn't implemented port-a-potties on the west side of 10 St by now, please submit 311 requests asking for it. Data drives their decisions so more 311 requests equals a higher chance people will be able to go to the bathroom when having picnics in the park.

Firstly, thank you to everyone for being civil and decent during the election. Things can get pretty heated, and it was great to see passionate folks sharing their opinions and exercising their democratic rights and responsibilities. Congratulations to the candidate that won the Calgary-Klein riding! I am writing this shortly after the writ dropped so I'm not sure who won yet, but I look forward to continuing to advocate on behalf of Rosemont residents, regardless of who is representing our neighbourhood.

An absolutely huge thank you to Ian Kirkland and the 20+ volunteers who took time out of their days/evenings to help us out with the casino. This casino helps us continue to offer low-cost events to residents, such as our September BBQ and Winter Festival, improve the hall, and other initiatives. We honestly can't do it without your support, so I sincerely thank you all for helping.

And another huge thank you to Kris, Craig, and Mel for coordinating and hosting our pub night!

Unfortunately, we have cancelled our Stampede Breakfast in July due to a lack of volunteer interest. Hopefully, we can look at starting it back up next year. Keep an eye out for details on our September BBQ.

If you have ideas for events and/or would like to help lead any of our fun events, please email us at info@rosemontyyc.com.

Finally, we have fully transitioned to our new website and email addresses. Please visit us at RosemontYYC.com. Please note that all of our emails now end with @RosemontYYC.com instead of @RosemontCommunity.com. Please update your contacts accordingly.

As always, keep looking after family, friends, neighbours, and yourselves.

Matthew

June Updates

Spring has sprung and the 4th Elks Beavers, Cubs, and Scouts have emerged from hibernation. The Beavers and Cubs have been enjoying meetings in Confederation Park making boats to race in the creek. The Beavers will just have finished their sleepover at the Hangar Airplane Museum.

Cubs tried to beat the heat on the spring camp out to Wayne, AB. Next up, they will just have returned from an overnight backpack in May, and are looking forward to canoe lessons in June.
